

NATIONAL SUMMIT ACTION PLAN

Use this action plan to take notes and document planned next steps during the summit. If you have questions, please email the EndTobacco team at [EndTobacco@mdanderson.org](mailto:EndTobacco@mdanderson.org)

---

---

**Before the summit starts, write down goals and ideas regarding tobacco-related policy, prevention or cessation that you have for your institution/organization.**

**Eliminating Tobacco Use: Data & Evidence Impacting Tobacco Product Regulation**

» Summarize facts about tobacco products, youth and adult tobacco use rates, and other notes from this presentation.

## **Public Health Implications of Non-Combustible Tobacco Products: Impacts on Young People and Other Vulnerable Populations**

» Important information to remember to reduce young adult access to tobacco products:

---

---

---

---

---

---

---

## **Addressing Tobacco-Related Health Inequities: Advancing Social Justice in Our Communities**

» How can I take a health equity and inclusive approach to efforts on my campus?

---

---

---

---

---

## **Engaging Student Leaders in All Aspects of Tobacco-Free Conversations**

» What I learned about engaging students:

---

---

---

---

---

---

» I liked this idea mentioned:

---

---

---

**Where does my institution/organization go from here?**

» Our Campus Policy:

---

---

---

» Our Prevention Strategies/Efforts:

---

---

---

» Our Cessation Services/Programs/Referrals:

---

---

---

» Additional people/departments/stakeholders to engage at my institution/  
organization:

---

---

---

MISSOURI SUMMIT ACTION PLAN

Use this action plan to take notes and document planned next steps during the Summit. If you have questions, please email Ginny Chadwick at [chadwickv@missouri.edu](mailto:chadwickv@missouri.edu).

---

---

**What are some goals regarding policy/prevention/cessation that I have for my institution/health organization?**

---

---

---

---

---

---

PRESENTATIONS

**Analyzing the Current State of Tobacco Use Among College Students in Missouri**

» Missouri Partners in Prevention

» Primary Topic:     Policy     Prevention     Cessation

» What I learned:

---

---

---

» What are some key takeaways that I can implement to create action items for policy/prevention/cessation?

---

---

---

---

---

### Student Perspectives on College Tobacco Use

» Missouri College Students

» Primary Topic:     Policy     Prevention     Cessation

» What I learned:

---

---

---

» How I can implement this knowledge to create action items for policy/prevention/cessation:

---

---

---

---

---

---

## Cannabis Panel

- » Luke Buffaloe, M.D., University of Missouri Healthcare
- » Jennifer Rhoad, B.A., Drug-Free Communities Program Director, Smithville Community in Action
- » Stacie Gove-Ortemeyer, M.Ed., L.P.C., Counselor, Westminster College
- » Mandy Schick, M.P.H., Ed., Wellness, and Prevention Specialist, Westminster College

» Primary Topic:     Policy     Prevention     Cessation

» What I learned:

---

---

---

---

» How I can implement this knowledge to create action items for policy/prevention/cessation:

---

---

---

---

---

---

---

---

---

---

## State Tobacco Control Overview

» Valerie Howard, M.S.W, Tobacco Control Program Manager, Missouri Department of Health, and Senior Services

» Primary Topic:     Policy     Prevention     Cessation

» What I learned:

---

---

---

» How I can implement this knowledge to create action items for policy/prevention/cessation:

---

---

---

## What I learned from institutional report outs:

» Policy:

---

---

---

» Prevention:

---

---

---

» Cessation:

---

---

---

---

**SUMMARY OF SUMMIT**

**3-5 things I learned over the past two days:**

---

---

---

---

---

---

**Ideas from this summit I think can be realistically implemented at my institution/  
health organization:**

---

---

---

---

---

---

---

---

**Where does my institution/health organization go from here?**

» New ideas to share with my institution/organization:

---

---

---

---

---

» What is a good first step towards creating discussions about policy/prevention/cessation at my institution/health organization?

---

---

---

---

---

» Who can I contact at my institution/organization to begin tobacco-free discussions?

---

---

---

---

---

---

---
