

NATIONAL SUMMIT ACTION PLAN

Use this action plan to take notes and document planned next steps during the summit. If you have questions, please email the EndTobacco team at EndTobacco@MDAnderson.org

Before the summit starts, write down goals and ideas regarding tobacco-related policy, prevention or cessation that you have for your institution/organization.

Eliminating Tobacco Use: Data & Evidence Impacting Tobacco Product Regulation

» Summarize facts about tobacco products, youth and adult tobacco use rates, and other notes from this presentation.

Public Health Implications of Non-Combustible Tobacco Products: Impacts on Young People and Other Vulnerable Populations

» Important information to remember to reduce young adult access to tobacco products:

Addressing Tobacco-Related Health Inequities: Advancing Social Justice in Our Communities

» How can I take a health equity and inclusive approach to efforts on my campus?

Engaging Student Leaders in All Aspects of Tobacco-Free Conversations

» What I learned about engaging students:

» I liked this idea mentioned:

Where does my institution/organization go from here?

» Our Campus Policy:

» Our Prevention Strategies/Efforts:

» Our Cessation Services/Programs/Referrals:

» Additional people/departments/stakeholders to engage at my institution/
organization:

» Who could be my potential external collaborators?

Summary of Summit

» List 3-5 key takeaways from today.
